

CONNECT COMMUNITY BANK ANNOUNCEMENT

APRIL 2026

Connect Community Bank

is excited to complete our 2026 partnership initiative with the announcement of our merger with **Oregon Coast Bank**. The merger will expand the products and services available to Connect Community Bank members and preserve the bank's longstanding focus on community banking. **Be assured that your dedicated service team will remain, ensuring the local, personalized, support that you have come to expect, will continue.**

As we considered the future of CCB, our priority was to find a partner that not only shared our values, culture, and deep commitment to Pacific County, but also would provide expanded commercial offerings

to our community focused approach of supporting coastal economies, making it the right fit for our members, employees, and the legacy we have built over more than a century.

Together, we remain committed to this community, excited for this transformative step forward that will grow and preserve job opportunities, strengthen our capital base, and enhance our long term stability. Although the merger retains the Oregon Coast Bank name, the combined institution will leverage both of our strengths and expertise, resulting in a comprehensive suite of services that elevates our ability to support local coastal economies and businesses.

GET EXCITED!

- Expanded Products and Services
- Commercial Lending
- Enhanced Systems
- Highly Rated Online Banking System

The merger is expected to finalize mid-year 2026.

We are excited to build this amazing opportunity for you, our members and community.
